

## Tanners Orchard School Tours

### Where fun and learning grow side by side!!!

Our goal is to help children have fun while learning about the apple trees, gourds, pumpkins and other fruits and vegetables grown here at our farm.

School Tours Include:

- Tractor-drawn wagon ride
- An interactive, hands-on presentation of the fruits & vegetables grown at Tanners Orchard
- Apple Trees – from planting and removing to pollination and picking
- Two apples per person, or one gourd based on availability
- Walking tour of apple sorting/ packing areas, apple cider press and large cold storage
- Coloring Book, apple cider donut and apple cider sample
- Animal petting area and our unique playground

The cost of the tour is \$5 per participant. We do require a \$75 deposit for school tours to be paid 14 days in advance of your tour. *\*\*\*Adult tours are also available for \$3 per participant. These are usually scheduled in the afternoon. Please call for more information.\*\*\**

Please ask parents to have the children dress appropriately. They are coming to the country, so they may get dirty, as will the teachers and parents. We strongly suggest long pants, play clothes and tennis shoes. Please do not wear open-toed shoes or flip-flops!!!

We have lots of picnic tables for you to enjoy your lunches. Most tables are under canopy protection. Lunch is available to be purchased for students, parents and teachers, please call for information. There is a special parking area for school buses to keep the children away from our regular parking area.

**Please call and reserve your tour now!!** Our tour slots fill up quickly once school starts. The time slots are 9:30 & 9:45am, 10:45 & 11:00am and 12:00 & 12:15pm with a maximum of 47 people per slot.
